

ADOPTION ENQUIRY FORM

This form is designed to assist in matching you with the right cat, not as a means to eliminate potential owners.

Please complete the questionnaire below fully and email to this address:
pawprintassociation@protonmail.com

An accurate email and postal address is essential to complete the microchip transfer should you go on to adopt a cat.

Adoption Fee:

We ask for a fee to help cover the cost of care, microchipping and vaccinating (there is also a sliding scale for those in financial hardship).

€100 for kittens 8/9 weeks chipped, unvaccinated

€120 for kittens 10 weeks +, chipped and premier vaccinated

€140 for kittens aged 14 weeks +, chipped and double vaccinated

€180 for cats/kittens who have been chipped, double vaccinated and sterilised

All kittens we re-home are vet checked, micro-chipped, vaccinated, flea treated, de-wormed and sterilised (if over 6 months).

Donations in addition to the re-homing fee are welcomed but not mandatory - we spend an average of €250 for each kitten passing through our care.

Additional Notes

Please give any other information that may help us match a cat to your lifestyle.

*IMPORTANT INFORMATION

Please be aware that if you do adopt rescue kittens under 6 months old, it is a condition of our re-homing policy that you agree to get the cat neutered or sterilised at an appropriate age. Neutering is the keystone of rescue as there are too many cats that end up unwanted.

Thank you!
